

Integral Overview

Integral – The Only Multi-Sided Trading Network For Foreign Exchange

About Integral

Integral has delivered the only multi-sided trading network for foreign exchange. The facility empowers participants across the entire FX market to configure and operate their own automated, unique, private FX business.

Integral's solutions are delivered On Demand enabling FX businesses to flexibly enter new markets quickly and scale efficiently without owning and operating any IT infrastructure of their own.

Integral's private, customer-branded trading solutions are managed and operated over Integral's FX Grid®, a global inter-institutional connectivity and trading network, linking market making banks to FX market participants.

Integral solutions include:

- **FX Inside Professional™** – The industry's most powerful execution management system (EMS), FX Inside combines pricing and aggregation of FX spot prices, forwards and outright with algorithmic execution services giving institutional traders maximum liquidity and best execution.
- **FX Inside White Label™** – Providing institutional brokers with private, white-labeled trading solutions, FX Inside White Label offers a complete suite of FX trading services, allowing institutional brokers to source, package, and deliver liquidity, directly to clients, through a complete and branded customer experience.
- **FX Power Trader™** – FX Power Trader is a complete retail margin trading solution that includes strategies, advanced order types, charting, and market news. Deployed in combination with FX Grid®, banks and brokers aggregate direct market access liquidity and deliver custom price streams to suit their clients' needs.
- **TrueFX™** – TrueFX delivers organized, clean and deep access to interbank liquidity with no intermediary. A turnkey solution, TrueFX provides retail brokers with direct access to the interbank foreign exchange market, facilitates "no dealing desk" operations, and provides complete customer account management.

Integral provides 24x7 support, staffed by FX-knowledgeable specialists.

Founded in 1993, Integral employs more than 150 professionals and maintains development, support and sales offices in Silicon Valley, New York, London, Tokyo, Hong Kong, Singapore and Bangalore. Investors include Accel Partners, Adams Street Partners, Ignite Group, Hudson Ventures, Mizuho Capital and Mitsubishi UFJ Capital.
